Humble Memorial of K. Narayana,
Retired Amin, District Munsif's
Court, Udipi, S. Kanara.

Honoured Sir,

I was an Amin in the District Munsif's Court, Udipi. I was appointed as a sweeper and promoted to the grade of peon, process-server and Court-keeper and my total inferior service comes to 24 years, 2 months and 4 days. I was afterwards promoted to the post of an Amin and my total superior service comes to 11 years, 3 months and 23 days including acting service. Thus my total pensionable service comes to 35 years, 5 months and 27 days. During the period of my long service, I have availed of only six months of privilege leave. Since 1935 till the date of retirement, I have not availed of any casual leave.

2 During my whole service both inferior and superior, I have worked so hard, honestly and obediently that the High Court of Judicature, Madras, has been pleased to appreciate my service as meritorious in its order R. Dis. No. 566/38 dated 1-8-1938.

3 The Government have considered my service as

inferior for the purpose of pension. Under Rule 56 (a) I applied for extension on 30-6-1938 and the same was granted by the High Court of Judicature, Madras. After the expiry of the same, my second petition dated 27-3-39 for extension of a further period of one year was - - rejected without assigning any reasons. I am strong and healthy and I am prepared to do further service - till the age of sixty.

4 By my compulsory retirement, I have lost - the benefits of my superior service as well as those of my inferior service. I am entitled to have the benefits of either superior or inferior service. In my case, I have been put to much hardship that by my compulsory retirement at this stage I cannot maintain myself and my family with a small pension of Rs. 6/- per month as I was getting a salary of Rs. 33/- per month.

5 I belong to a backward community and very few members of my community are in Government service. I was the only employee of my community in the service of the District Munsif's Court, Udipi.

6 Besides the above facts, I further beg to submit that I have already completed 35 years of - service which is more than that required under rules. If my superior officers had promoted me to the superior service early I would have got pension available to one of superior service.

7 I therefore most humbly beg to pray that justice may kindly be meted out to me either by - - permitting me to serve for a further period of 4 years,

i.e., till the 60th age or by granting a reasonable pension by considering my service as superior for the purpose of pension also.

For which act of kindness and justice, I shall, as in duty bound, ever remain grateful.

Submitted through the District Judge of South Kanara, Mangalore and The High Court of Judicature, Madras.
